ACADEMIC ENGLISH EXAMINATION – ORAL COMPONENT

B2 LEVEL

Procedure for Conducting the English Language Examination

1. The examination is conducted online via Microsoft Teams Forms.
2. The duration of the examination is up to 15 minutes.
3. The examination consists of: unmarked Warm-up, Academic Self-Presentation and one Visual prompt-based task.
4. After completing the written examination, candidates must stay logged in and wait for the oral examination in the previously stated order.
5. Each candidate is required to present a valid photo identification document for verification purposes before the examination.
6. Candidates are not permitted to use any additional materials and are expected to comply with academic ethical standards during the examination.
7. The chairperson of the Examination Board reserves the right to disqualify any candidate who received unauthorised assistance, used prohibited resources, helped other candidates, or otherwise disrupted the examination process.
8. Exclusion from the oral examination results in terminating the examination process.

Part 1

Self-presentation of the candidate (approximately 4-5 minutes)

Give a speech about yourself. Include the following:

The candidate introduces themselves as a prospective student of a specific faculty and field of study of their choice, mentions example core subjects from their academic programme, presents their academic interests referring to the potential major, and talks about their intended future career plans.

Part 2

Visual based presentation (approximately 5 minutes)

You have been asked to make a presentation on one of the ecological threats that many places in Poland and in the world are currently facing. You have to decide which of the threats to present.

- Select the photo of the most serious threat to the environment and human health, and justify your choice.
- Explain why you are rejecting the other options.
